

Our zoning and land use attorneys advise and represent land owners, neighboring property owners, government agencies and developers in all kinds of zoning and land use matters, including zoning decisions, rezoning requests, variances, special land uses, site plans, subdivision and land division, historic preservation, environmental regulations, and related proceedings and litigation. We advise our clients concerning development and drafting of zoning and land use ordinances and land use plans.

Our zoning and land use attorneys write and speak at seminars about zoning and land use topics. For more information, please contact one of our attorneys at (248) 731-3080.
