

*"A couple of years ago I retained Mark W. Hafeli to represent me in a trust dispute. The case was hotly contested and we ended up in trial for four days. I was very pleased with Mark's hard work and dedication throughout the case. I found him to be very sincere and dedicated and I knew my case would be properly handled.*

*Mark was impressive in court, totally in command of the facts and the law with a style that was very professional.*

*I was very pleased with the way my case was handled and my dealings with Mark. I highly recommend him and the firm."*

*"I have been working with Mark W. Hafeli for over fifteen years. Originally, my employer retained Mark to handle its leasing litigation. I was the contact person at my company that dealt with Mark so I was able to observe his legal abilities first hand.*

*Mark always handled our work professionally and on a timely basis. We were able to get*

*ahold of him when we needed him and the fees that he charged were reasonable.*

*When I moved to another business that needed a lease litigation lawyer, I recommended Mark and my employer hired him. Accordingly, we are still working together on lease litigation cases. Mark has also handled some legal matters for me and I have referred him to a number of my friends and relatives. They have all been satisfied with his work.*

*I have always been pleased with the way that Mark has handled the legal cases which have been sent to him and, therefore, I highly recommend him and the firm."*
